“A Year of Serenity and Prosperity”

A Daily Reader

A Year of Serenity and Prosperity features 366 daily readings on D.A. recovery, written by a diverse cross-section of members reflecting a wide range of lived experience. Each entry is paired with an excerpt from Conference-approved D.A. literature and a guiding thought or meditation for the day.

Whether you're new to recovery or have years of solvency, *A Year of Serenity and Prosperity* offers experience, strength, hope, and clarity for building a new relationship with a Higher Power — grounded in spiritual abundance, self-worth, daily action, and financial clarity. Let each day's reflection be a gentle guide toward freedom, service, solvency, and serenity.
